

Neighbor Notification Form

Sierra Montana Homeowners' Association

The attached project plans were made available to the following neighbors for their review:

The form is organized into three rows of house icons, separated by a brick wall and a road with a dashed center line. The central house in the middle row is shaded blue and labeled 'My House'. Each house icon has a chimney on its roof and a set of input fields below it.

- Top Row (Rear):** Three identical house icons labeled 'Rear'. Each has input fields for 'Name', 'Address', and 'Signature'.
- Middle Row:** Three house icons. The left one is labeled 'Left' and has fields for 'Name', 'House Number', and 'Signature'. The center one is 'My House' (shaded blue) and has fields for 'House Number' and 'Street Name'. The right one is labeled 'Right' and has fields for 'Name', 'House Number', and 'Signature'.
- Bottom Row (Facing):** Three identical house icons labeled 'Facing'. Each has input fields for 'Name', 'House Number', and 'Signature'.

All of my impacted neighbors have seen the plans I am submitting for Architectural Review Committee approval (see above verification). If any neighbor has a concern, they need to notify Planned Development Services in writing. Please note that neighbor objections do not in themselves cause denial of the plans, however, those concerns may be considered by ARC. All above boxes should be filled out whether or not a signature has been obtained.
